Conditional

NOTICE OF PESTICIDE:

 x Registration
 Reregistration

Name of Pesticide Product: AIEN

Pine Oil

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

AIEN Del Norte
3010 Rachel Terrace
Pine Brook, NJ 07058

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment.

a. Add the phrase "EPA Registration Number 49547-4

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For formulation into disinfectants for:

- 1) Uses for which USEPA has accepted the required data and / or citations of data that the formulator has submitted in support of registration; and
- 2) Uses for experimental purposes that are in compliance with USEPA requirements

AIEn Pine Oil may not be used in formulation of products used on food crops.

NOTICE: Formulators (and experimental purposes) are advised that it is their responsibility to provide all supporting data to obtain their own registration from the Environmental Protection Agency (EPA).

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Do not store near excessive heat. In case of freezing, product integrity can be restored by application of heat (by warm water bath, not direct flame) and agitation. Do not remove liquid from partially frozen container.

Pesticide Disposal: Waste resulting from use of this product may be disposed of on-site or at an approved waste disposal facility.

Container Disposal: Triple rinse (with soap and water) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.
