CAUTION See back [panel] for additional precautionary statements

NET WEIGHT [WT.] 1 LB.

STOP. READ ENTIRE LABEL BEFORE USE

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

For outdoor use only. Do not apply directly to leaves of shrubs or to ornamental, soft-bodied plants. Do not apply on or near food or feed crops.

Elite Dog and Cat Repellent Granules repels dogs and cats for up to 24 hours when applied daily. It keeps pets away from trees, shrubs, garbage cans [bags], and other "forbidden areas". It reduces the frequency of defecation and urination by dogs on lawns and in flower gardens. It also reduces the frequency of digging by cats in flower gardens.

HOW TO USE

Pretreatment Directions: For best results, use training whenever possible, including positive (praise) and negative (sharply spoken word backed up with disciplinary action) reinforcement. Stray animals are frequently attracted to areas where pets have soiled with feces or urine. To discourage repeat visits, remove any droppings and clean with water.

Treatment Directions: Treat around the borders of flower beds, around the bases of shrubs and trees, to patches of lawn, or around other forbidden areas. Wear gloves when using this product. Lightly sprinkle granules directly from the box or if using a spreader apply at the rate of 1 lb. per 250 sq. ft. [To protect garbage containers [cans] from dogs and cats, treat the ground around the containers. Repeat as necessary.]

Retreatment Directions: Re-apply daily, or as necessary, until undesirable habits are broken.

NOTE: This product is not likely to break the established urination patterns of dogs unless it is used as a training aid.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container in a secure storage area away from children and pets. **DISPOSAL: if empty:** Do not reuse this container. Place in trash or offer for recycling if available. **if partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling.

First Aid

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. **IF IN EYES:** Hold eyelids open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTICE: To the extent consistent with applicable law buyer assumes all responsibility for safety and use not in accordance with directions.
