Fine Glo Products, Inc.
P.O. Box 429
Rolesville, NC 27571

Attention: Robert P. Diehl
Vice President

Subject: Pine Glo
EPA Registration Number 49827-2
Your Submission Dated November 3, 1995

This is in response to your submission on the above product to change your signal word from "Caution" back to "Warning" per our letter dated June 23, 1995.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable provided that you make the following revisions before you release the product for shipment bearing the amended labeling.

1. Revise the "Statement of Practical Treatment" to read as follows:

If in eyes: Call Physician. Hold eye lids open and flush with a gentle steady stream of water for 15 minutes.

If on skin: Wash with plenty of soap and water. Get medical attention.

If swallowed: Drink promptly a large quantity of water. Avoid alcohol. (This statement is necessary due to category II placement of eye irritation potential).

2. Revise the precautionary statements after "WARNING" on the back panel to read as follows: "Causes substantial, but temporary eye injury. Harmful if absorbed through skin. Do not get in eyes. Avoid contact with skin. Wear goggles or face shield. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse."

CONCURRENCES

SYMBOL	7505						
SURNAME	de						
DATE	2/25/96						

A stamped copy is enclosed for your records. Submit one copy of the final printed label before you release the product for shipment bearing the amended label.

If you have any questions concerning this letter, please contact me at (703) 305-7964.

Sincerely,

Ruth G. Douglas

PINE GLO

CLEANS • DISINFECTS • DEODORIZES

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR HOUSEHOLD USE:

CLEANING/DEODORIZING FLOORS, CABINETS, AND WOODWORK: Use 1/4 cup per gallon of water. No rinsing required.

LAUNDRY: add 1 cup to detergent per washload for extra cleaning power and fresher smell.

TOUGH JOBS: Use full strength and rinse.

DISINFECTANT ODOR-CAUSING GERMS/SALMONELLA CHOLERAESUIS GERMS PREVENTION:

Clean surfaces thoroughly before applying this product full strength to porcelain and fiberglass bathroom fixtures. Let soak for 10 minutes then rinse with water. Repeat as necessary to control odors.

WARNING: Eye and skin irritant. Harmful if swallowed. Do not get into eyes. Avoid prolonged skin contact.

FIRST AID: In case of eye contact, hold eyes open and flush with a gentle steady stream of water for 15 minutes. If irritation persists, call physician. If skin contact occurs, rinse with water. If irritation persists, call physician. If swallowed, do not induce vomiting. Drink a large amount of water. Call physician immediately.
