James W. Nielson
P.O. Box 1045
Newport, OR 97365

APR 15 1985

Dear Mr. Nielson:

Subject: New Brand Name and Label Revisions
Ion-Moss
EPA Registration No. 50019-1
Your Submission of April 9, 1985

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

The new brand name in the subject is acceptable.

The term "New" on the front panel can appear on labeling released for shipment only for a period of one year from the date of this acceptance.

As new labeling is prepared modify CAUTION by capitalizing or placing it as a heading immediately below Hazards to Humans and Domestic Animals. "Harmful if swallowed" must be a separate sentence.

Sincerely yours,

Richard F. Mountfort *RFM*
Product Manager (23)
Fungicide-Herbicide Branch
Registration Division (TS-767)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Caution: Harmful if swallowed. Avoid inhalation. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and water. For eyes, flush with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. Apply when moss is wet—after a rain, after watering or with early morning dew.
2. Apply NO-MOSS to lightly affected areas at the rate of one pound per 1000 square feet. For heavier growth, apply over smaller area.
3. In two to four weeks moss will turn from green to yellow to brown.
4. Removal of dead moss is not necessary because it will break down and gradually weather away.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat or open flame. Do not reuse empty containers. Wrap container in several layers of newspaper and put in trash collection.

ION - MOSS is corrosive to copper.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
