NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

(2) Place the following information on the label, in a type size not less than 10 points:

(a) On the label: "EPA Reg. No. 50521-2."

(b) Place on the label, in a type size not less than 10 points, the following statement of formula and active ingredient:

This statement is to be placed on the label in a type size not less than 10 points, and must be in a type size larger than, or equal to, the heading used in the ingredient statement (the words Active Ingredient and Inert Ingredient).
