**HOW QUICK KILL ROACH POWDER WORKS**

Roaches eat the QUICK KILL ROACH POWDER, then go off into their nests and walls to die. The healthy roaches eat the dead roaches and they die also by the chain reaction method of poisoning. The end results are QUICK KILL ROACH POWDER will kill all the roaches you see also those you can not see in your walls, cracks and places you could not possibly find or ever get to. QUICK KILL ROACH POWDER is a very effective product and should prove for you to be the most effective exterminating product for roaches you can buy.

**QUICK KILL ROACH POWDER FOR USE IN:**

HOMES	HOSPITALS	SCHOOLS	FACTORIES	NURSING HOMES
HOTELS	APARTMENTS	OFFICES	YACHTS	FOOD STORES
MOTELS	RESTAURANTS	MARKETS	KENNELS	MOBILE HOMES
CAMPS	WAREHOUSES	SEWERS	ZOOS	NEW CONSTRUCTION

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **SHAKE WELL BEFORE OPENING.** To control cockroaches, ants, water bugs, and silverfish, apply liberally with a spoon, scattering under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards and closets.

Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and chests of drawers, then scatter liberally in drawer wells. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared, or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs. 1 lb. covers up to 1200 sq. ft. For crawl space, basement, or garage, an additional 1 lb. of QUICK KILL ROACH POWDER should be used to insure complete effectiveness. QUICK KILL ROACH POWDER will continue to kill, as long as the powder does not become damp. Should powder become damp, replace with a fresh supply.

**NEW CONSTRUCTION:** When treating large areas, such as wall voids, soffit and subcabinet voids in new and existing construction, dust liberally using dusting application equipment.

**SEWERS:** Apply 1 lb. of powder in sewer at each manhole using dusting application equipment.

**PRECAUTIONARY STATEMENTS**

**HAZARD TO HUMANS AND DOMESTIC ANIMALS. CAUTION:** Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

**STATEMENT OF PRACTICAL TREATMENT**

Immediately contact Physician or Poison Control Center if swallowed. If eye contact occurs, flush with plenty of water. Get medical attention if irritation persists.

**DISPOSAL:** Do not reuse empty container. Securely wrap in newspaper and discard in trash.

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the following changes listed below before you release the product for shipment.

a. Add the phrase "EPA Registration No. 50396-1."

b. Add the reference to "determination" on the label panel.

c. Change the storage and disposal statement to read:

Storage and Disposal

Store only in original container, in a dry place inaccessible to children and pets.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

50376-1

**Disposal:** Do not reuse empty container. Securely wrap in newspaper and discard in trash.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

William H. Miller
