TOMLYN'S DAILY PROTECTION FLEA, TICK AND LICE SPRAY is designed to be used daily, providing safe, effective 24 HOUR PROTECTION. TOMLYN'S DAILY PROTECTION is a non-sticky water base spray utilizing only natural pyrethrins (no synthetics). DAILY PROTECTION provides greater overall defense than any flea collar.

DIRECTIONS

SHAKE WELL. Spray cat beginning at the tail and moving forward covering the animal's entire body, including legs and under body. While spraying, fluff the feline's hair so spray will penetrate to the skin where most pests reside. For best results spray TICKS thoroughly. Do not spray into eyes, face or genitals. Use daily or as needed. Hair should be lightly damp but not saturated. Do not use on nursing kittens. IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

STORAGE AND DISPOSAL: Store in cool and away from heat and open flame. Do not reuse empty container. Wrap container and put in trash can for disposal.
