 EPA Est. No. 3134-NJ-1

CAUTION:
 See side panel for precautions
**KEEP OUT OF REACH OF
 CHILDREN**
 Net Contents 16 fl oz (473 ml)

Tomlyn's Flea, Tick & Lice Aqua Spray is
 designed to be used daily, providing safe, ef-
 fective 24 hour protection. The non-sticky water
 base spray utilizes only natural pyrethrins (no
 synthetics). Flea, Tick & Lice Aqua Spray
 provides greater "overall" protection than any
 flea collar.

DIRECTIONS:
**IT IS A VIOLATION OF FEDERAL
 LAW TO USE THIS PRODUCT IN A
 MANNER INCONSISTENT WITH ITS
 LABELING**

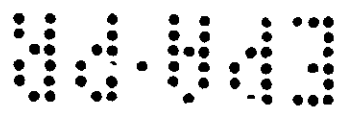

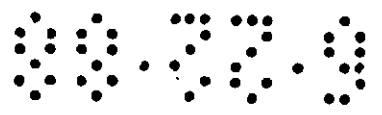

SHAKE WELL. Spray pet beginning at the tail
 and moving forward covering the animal's en-
 tire body. While spraying, fluff the animal's hair
 so spray will penetrate to the skin where most
 pests reside. For best results, spray TICKS
 thoroughly. Do not spray into eyes, face or gen-
 itals. Use daily or as needed. Hair should be
 lightly damp but not saturated. Do not use on
 nursing puppies and kittens.

STORAGE AND DISPOSAL:
 Store in a cool area away from heat or open
 flame. Do not re-use empty container. Wrap
 container and put in trash collection.
