Attention: Guy Darter

Gentlemen:

Subject: Pyrenone Space Spray
 EPA Registration No. 50429-5

At the next printing of labels, no more than 1 year after the date of this letter, delete "In food processing plants, if washing of equipment, benches, shelving, etc., where exposed food will be handled, is impractical, do not allow food to come in contact with treated surfaces for at least 48 hours."

Under "Directions for Use" correct the typographical error changing "plane" to "plant."
