NOV 25 1985

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

Alcide Cond. - 200

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pac-Tec, Inc.  
P.O. Box 322  
Chesham, CT 06410

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

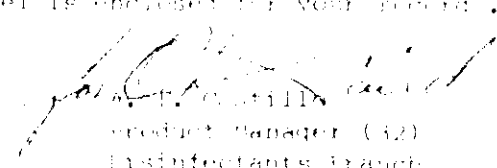

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with 40 CFR 155.106(a)(7)(A) provided that you:

1. Submit within 30 days all data required for registration or reregistration at your product under EPA Reg. 40 CFR 155.106 when the Agency requires such registrant's or similar products to submit such data.
2. Add the phrase "EPA Registration No. 50429-8" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling to the Agency before you release the product for shipment. Refer to the A-79 Procedure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with 40 CFR 155.106. Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your record.
