Precautionary Statements

Hazards to Humans and Domestic Animals

DANGER

Corrosive, causes severe eye damage.

DO NOT get in eyes, on skin, or on clothing. Wear goggles or face shield, rubber gloves, long sleeve shirt, and long pants when mixing, loading and applying this product. May be fatal if inhaled. **DO NOT** breathe dust. Harmful if swallowed or absorbed through the skin.

Note to User: This product may produce mild bronchial irritation and temporary irritation of the skin characterized by redness or rash on exposed skin areas. Affected persons should consult a physician.

Statement of Practical Treatment

In case of eye contact, flush eyes with water for 15 minutes, get medical attention immediately. In case of skin contact, wash exposed areas of skin with soap and warm water. In case of inhalation, remove person to fresh air and get medical attention immediately.

Note to physician: Persons having temporary irritation symptoms may respond to treatment with antihistamines or steroid creams and/or systemic steroids.

Environmental Hazards

DO NOT discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. **DO NOT** discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Formulation Purposes Only

This product is intended for use only by formulators in preparing fungicides.

Information on the composition, methods of use, applicable restrictions or limitations, and effectiveness of the product for pesticide purposes may be obtained from ISK Biosciences Corporation. Labeling of pesticide formulations made from this product must conform to Federal label requirements for end-use chlorothalonil products.

Storage and Disposal

DO NOT contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Storage: Store in a cool place. Protect from excessive heat.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide formulation or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Completely empty bag into formulation equipment. Then dispose of empty bag in a sanitary landfill, or by incineration or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Warranty and Limitation of Damages

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. **Seller makes no other express or implied warranty, including any other express or implied warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing and with a specific reference to this warranty.** In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
