

**Precautionary Statements
Hazards to Humans and
Domestic Animals**

Danger

Corrosive. Causes severe eye damage.

May be a potential skin sensitizer. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield, rubber gloves, long sleeve shirt, and long pants when mixing, loading and applying this product. Do not breathe dust. Harmful if swallowed or absorbed through the skin.

First aid: In case of eye contact, flush eyes with water for 15 minutes, get medical attention immediately. In case of skin contact, wash exposed areas of skin with soap and warm water. This product may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash on exposed skin areas. Person having allergic reaction should contact a physician. Note to physician: Persons having an allergic reaction respond to treatment with antihistamines or steroid creams and/or systemic steroids. In case of inhalation, remove person to fresh air and get medical attention immediately.

Environmental Hazards

Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

Net Contents 55 Gallons/208.2 Liters

Chlorothalonil Flowable 500

For Formulation Purposes Only

Contains 4.17 Pounds Chlorothalonil Per Gallon (500 grams per liter)

Active ingredient: Chlorothalonil (tetrachloroisophthalonitrile)*	40.4%
Inert ingredients:	59.6%
Total	100.0%

*Covered under U.S. Patent 3,290,353, No. 3,331,735 and No. 3,948,636

Keep Out of Reach of Children

DANGER

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Note to User: Chlorothalonil Flowable 500 may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash on exposed skin areas. Persons having allergic reaction should contact a physician.

For Formulation Purposes Only

This product is only for formulating as a fungicide. Formulator is responsible for providing any additional data that may be required to support registration other than the basic label claims for chlorothalonil flowable formulations and of any modification of this product such as by simple dilution, addition of dyes or perfumes, or of any change that may affect its performance or effect on man or the environment.

Note: Before using, this container should be slowly inverted several times or otherwise mixed to assure uniformity of product.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Storage: Store in a cool place. Protect from excessive heat.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide formulation or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not reuse empty container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Warranty and Limitation of Damages

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty, including any other express or implied warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
