Statement of Practical Treatment

If swallowed — Drink 1 to 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Call a physician or Poison Control Center immediately.

If on skin — Wash affected area with plenty of soap and water. Get medical attention if irritation persists.

If in eyes — Flush eyes with plenty of water. Call a physician.

Precautionary Statements

Hazards to Humans

Caution

Harmful if swallowed or absorbed through skin. Avoid contact with skin or eyes. Avoid breathing vapors and spray mist. Wear goggles, protective clothing and gloves while handling. Remove and wash contaminated clothing before reuse.

Environmental Hazards

This product is highly toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Store in a secure area above 32°F. Do not reuse container. Triple rinse, then puncture and dispose of container in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Read attached leaflet for Directions for Use and additional information prior to use.
