

Elizabeth D. Owens, Ph.D.
Manager, Product Registrations
ISK Biosciences Corporation
5966 Heisley Road
Mentor, Ohio 44061-8000

JUN 29 1995

Dear Dr. Owens:

Subject: 90% Dimethyl-T
EPA Registration No. 50534-113
Applications Dated June 12, 1995, Amendment To
Comply with PR Notice 94-1, Listing of Use Sites

The proposed subject request to amend the labeling of the pesticide product 90% Dimethyl-T has been reviewed. The proposed labeling is acceptable under the Federal Insecticide, Fungicide and Rodenticide Act as amended, provided that you:

1. Revise the Environmental Hazards section of the labeling submitted on June 12, 1995, to comply with PR Notice 93-10.
2. Submit one (1) printed copy of the final printed label before releasing the product for shipment under the revised label, revised as mentioned in 1 above.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA, Section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Joanne I. Miller
Product Manager (23)
Fungicide-Herbicide Branch
Registration Division (7505C)

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

Statement of Practical Treatment:

If in Eyes: Flush with plenty of water. Call a physician if irritation persists.

If Swallowed: DO NOT induce vomiting. If vomiting occurs spontaneously, keep airway clear. Never give anything by mouth to an unconscious person. Seek medical attention.

If on Skin: Wash thoroughly with soap and water.

Environmental Hazards

DO NOT discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. DO NOT discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
