U.S. ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (WH-562) WASHINGTON, D.C. 20460	EPA REGISTRATION NO.	DATE OF ISSUANCE FEB 13 1985
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT	

NOTICE OF PESTICIDE: ☒ REGISTRATION ☐ REREГИSTRATION
(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

161 / 145,630
18 / 1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Precautionary Statement

Hazards to Humans

Caution

Wash thoroughly with soap and water after handling and before eating or smoking. Avoid contamination of feed and foodstuffs.

Environmental Hazards

This pesticide is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by disposal of used tags. Use this product only as specified on this label.

Storage and Disposal

Store in a cool place in original container. Do not contaminate water, food or feed by storage or disposal. Waste (spent tags) resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Dispose of empty container in a sanitary landfill or by incineration or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Directions for Use

General Classification

It is a violation of federal law to use this product in a manner inconsistent with its labeling

Figure 1.
Place female tag under clip by depressing lever. Color on tag must be pointing down.

Figure 2.
Slide male button on pin until it projects through tip. Tag and button are now ready for application. Disinfect pliers and tags prior to application.

Figure 3.
Position tag on the flat surface in center of ear. Do not allow shaft of the male button to penetrate any cartilage, rib or blood vessel. Ear damage may result.

Figure 4.
When properly positioned the tag should hang as shown.

Use Directions:

For optimum pest control, attach one tag to each ear when horn flies first appear. Tags may remain effective for up to 5-6 months for control of susceptible horn flies. Replace as necessary. Apply with the Allflex Tagging System.

PANEI.

Warranty and Limitation of Damages

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty, including any other express or implied warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing and with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
