PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER

Corrosive, causes severe eye damage and moderate skin irritation. Harmful if swallowed or inhaled. Do not get in eyes or on skin or clothing. Wear goggles, face shield or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. May be a skin sensitizer. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

Do not take internally.

Avoid breathing mists when spraying paint.

Note to User: This product may produce mild bronchial irritation and temporary irritation of the skin characterized by redness or rash on exposed skin areas. Affected persons should consult a physician. ✓

First Aid:

If in eyes: Flush with gentle stream of water for 15 minutes. Call physician.

If swallowed: Drink a large quantity of milk, egg whites and gelatin solution, or if not available drink large quantities of water. Avoid alcohol. Induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Call physician.

If on skin: Wash with plenty of soap and water. Get medical attention.

Note to Physician:

Persons having temporary irritation symptoms may respond to treatment with antihistamines or steroid creams and/or systemic steroids.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, aquatic invertebrates, and marine/estuarine organisms. Do not contaminate lakes, ponds or streams with this product or paints and stains containing this product.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

BEST AVAILABLE COPY

DIRECTIONS FOR USE

For use in exterior paints and stains only.

TUFFCIDE 500 is a broad-spectrum, highly effective mildewcide for controlling mildews and molds which cause defacement of painted surfaces. Surfaces to be painted must be clean and dry. Wait 36 hours before painting surfaces which have been cleaned with bleach. **TUFFCIDE 500** may be used in water-based or solvent-based exterior paints and stains by adding entire contents (2 fl. oz.) of this package to 1 gallon of paint. After thorough mixing, apply paint according to label directions. Do not use in paints or stains intended for use on decks.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Storage: Store in a cool place. Protect from excessive heat. Do not store product after opening container.

Pesticide Disposal: Use entire contents of this package for 1 gallon of paint or stain. After emptying package, immediately dispose of container as directed below. ✓

Container Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

WARRANTY AND LIMITATION OF DAMAGES

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. **Seller makes no other express or implied warranty, including any other express or implied warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing with specific reference to this warranty.** In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
