Cross-contamination is of major housekeeping concern in schools, medical institutions, and industry. LONZA DC-102 has been formulated to aid in the reduction of cross-contamination in these areas.

LONZA DC-102 is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria, is fungicidal, and will prevent the growth of mold and mildew and their odors when used as directed.

LONZA DC-103 is an effective one-step sanitizercleaner for use on non-food contact surfaces.

When used as directed, LONKA DC 102 will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.
