<p align="center">DIRECTIONS FOR USE To control cockroaches</p> <p>It is a violation of Federal law to use this product in a manner inconsistent with its labeling.</p>	<p align="center">DISPOSAL</p> <p>Do not reuse empty container. Wrap and place in trash collection.</p>
<p>Place pellets in areas where cockroaches are seen. Areas include cabinets, shelves, drawers, under sinks and in closets. Pellets may be crushed and placed in cracks and crevices. Pellets must be spaced so that no more than 25 pellets are placed in an average size room. Sparingly as necessary, but do not exceed more than 25 pellets per room.</p>	
<p>Powder of crushed pellets visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared, or processed. Do not use in serving areas while food is exposed. Avoid contamination of, feed and foodstuffs.</p>	
<p>This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theatres, ships, buses, trains, trucks, yachts, camps, mobile homes, buses, coos, kennels, military bases, libraries and utilities.</p>	
<p>Storage: Store only in original container, in a dry place inaccessible to children and pets.</p>
