2 / 18

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. This registration is issued on the condition that you will comply with the following conditions:

2. You must submit to the Registration Division, within 30 days of the date of this registration, a copy of the label for the product, including the name and address of the registrant, and a copy of the label for the product, including the name and address of the registrant.

3. You must submit (5) copies of your label for the label, master copy, to the Registration Division, within 30 days of the date of this registration. Refer to the A-77 enclosure for more information regarding the label printing.

If you fail to comply with any of the conditions of this registration, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your receipt for this registration constitutes acceptance of these conditions.

A copy of this registration is being sent to you for your records.

Very truly yours,
 [Signature]
 Director, Registration Division
 U.S. Environmental Protection Agency

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens under 3 months of age.

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING.

This product will kill fleas up to 14 days on dogs and cats and will kill ticks for 4 days on dogs and 9 days on cats.

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

For cats apply at the rate of 1 second per pound of body weight. For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat and open flame.

Disposal: Do not reuse empty container. Wrap original container in several layers of newspaper and discard in trash.
