November 24, 2003

Scott Hudnall Manager, Specialty Chemicals Shepard Brothers, Inc. 503 S. Cypress Street La Habra, CA 90631

Subject:

Acidize DS-10

EPA Registration No. 50600-8

Application Date: September 25, 2003 EPA Received Date: October 20, 2003

Dear Mr. Hudnall:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

Proposed Amendment

Update First Aid Statements per PR Notice 2001-1

Conditions

Revise the label as follows:

- Revise the Precautionary Statements by changing the statement "Wear goggles and rubber gloves when handling." to read "Wear goggles, rubber gloves, and protective 1. clothing when handling."
- Revise the "DISPOSAL" section by changing the statement "Wastes resulting from the use of this product may be disposed of on site or at an approved waste facility." to 2. read:

read:							
CONCURRENCES							
SYMBOL > 751CC							
SURNAME XIIzay							
SO POTIN STAC				*********			
EPA Form 1320-1A (1/90)		Printed on Recycled	Poner		OFFICI	IL FILE CODY	

"Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance."

3. Revise the "CONTAINER DISPOSAL" section to read:

"CONTAINER DISPOSAL: Triple rines (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke."

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit three(3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact me at 703-308-6422.

Sincerely,

Adam Heyward

ACIDIZE DS-10

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals DANGER

Corrosive, causes burns to skin and eyes. Do not get in eyes, on skin or on clothing. Wear goggles and rubber gloves when handling. Harmful or fatal if swallowed. Avoid breathing fumes. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARD

This product is acidic. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewer treatment authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL & CHEMICAL HAZARD

Strongly acidic. Avoid contact with alkaline materials, contact with reactive material (e.g. mild steel and aluminum) may produce flammable explosive hydrogen air mixtures. Reacts violently with strong bases. Mix only with water.

STORAGE & DISPOSAL

STORAGE: Keep container closed when not in use.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal, or cleaning of equipment. In case of spill, flood area with large quantity of water, washing to sewer or collection vessel. Wastes resulting from the use of this product may be disposed of on site or at an approved waste facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse, puncture and dispose of container in a sanitary landfill.
