Ms. Olivia D. Laird  
Agent for Perycut Chemie AG  
Laird's Regulatory Consultants  
501 S. Lincoln Avenue  
sterling, VA 20164

AUG 11 1997

Dear Ms. Laird:

Subject: Amendment- change in areas of use  
Insect Killer Cockroach Carpet  
EPA Registration Number 50654-4  
Your submission dated June 24, 1996

This amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(a), is acceptable, provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

a. Under Directions for Use change "Federal Law" to "Federal law".

b. On the front panel add "Authorized for use in Federally inspected meat and poultry plants" since you have submitted the authorization letter from USDA.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca  
Product Manager (13)  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

## INSECTKILLER COCKROACH CARPET

For the control of cockroaches, ants, silverfish and other crawling insects in  
homes, businesses, health care facilities and in the food industry.

For use in homes, apartments in multi-residential buildings, kitchens, bathrooms,  
pantries, closets, garages and other areas where cockroaches / pests are found.  
For commercial and industrial establishments. Use Cockroach Carpet in food shipping  
and handling establishments and processing plants, including but not limited to  
federally inspected meat and poultry plants, kitchens, supermarkets, hotels, motels,  
hospitals, nursing homes, office buildings, schools, warehouses, kennels, ships,  
airplanes, railroad cars, highway vehicles and other areas where cockroaches / pests  
are found. For use in inaccessible places of food handling and serving areas and food  
processing plants.

### DIRECTIONS FOR USE

It is a violation of Federal Law  
to use this product in any manner inconsistent with its labeling.

To avoid contact with the active ingredients, remove from wrapper by grasping at the  
special built-in grip handles. Fully unfold Cockroach Carpet and place with treated  
side upward in area frequented by cockroaches / pests.

Place under cupboards, refrigerators, stoves, shelves, etc., remove when cleaning. Do  
not place Cockroach Carpet on surfaces that are used for food preparation. Replace  
Cockroach Carpet every six months. In open areas use only if area is inaccessible (i.e.  
under lock and key). Before opening up area remove Cockroach Carpet and store in  
bag and place in secured location.

Use one (1) unit for approximately 75 square feet of area to be treated.

### PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

#### CAUTION

Avoid contact with skin, eyes, and clothing. Harmful if absorbed through skin. Avoid  
contaminating of feed and food stuffs.

#### STATEMENT OF PRACTICAL TREATMENT

In case of contact, remove contaminated clothing and wash affected area with soap  
and water.
