Ms. Olivia Laird  
501 South Lincoln Avenue  
Sterling, VA 20164-2024

Subject: Updated Label  
Insect Killer Cockroach Carpet  
EPA Reg. No. 50654-4  
Your Submission Dated July 10, 2001

Dear Ms. Laird:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, are acceptable, provided you make the labeling changes indicated below prior to release for shipment of the product bearing the amended labeling:

1. Under STATEMENT OF PRACTICAL TREATMENT, remove the sentence beginning, "In case of contact...etc."

Submit two copies of your final printed labeling before you release this product for shipment. A stamped copy of the labeling is enclosed for your records. If you require any further correspondence on this matter, please contact Linda Gerber (703-308-8033) of my staff.

Sincerely

A handwritten signature in cursive script, appearing to read "George T. LaRocca".

## INSECT KILLER COCKROACH CARPET

For the control of cockroaches, ants, silverfish and other crawling insects  
in homes, businesses, health care facilities and in the food industry.

For use in homes, apartments in multi-residential buildings, kitchens, bathrooms, pantries, closets, garages and other areas where cockroaches/pests are found. For commercial and industrial establishments. Use Cockroach Carpet in food shipping and handling establishments and processing plants, including but not limited to federally inspected meat and poultry plants, kitchens, supermarkets, hotels, motels, hospitals nursing homes, office buildings, schools, warehouses, kennels, ships, airplanes, railroad cars, highway vehicles and other areas where cockroaches/pests are found. For use in inaccessible places of food handling, serving areas and food processing plants.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. To avoid contact with the active ingredients, remove from wrapper by grasping at the special built in grip handles. Fully unfold Cockroach Carpet and place with treated side upward in area frequented by cockroaches/pests. Place under cupboards, refrigerators, stoves, shelves, etc.; remove when cleaning. Do not place Cockroach Carpet on surfaces that are used for food preparation. Replace Carpet every six months. In open areas, use only if area is inaccessible (i.e. under lock and key). Before opening up area remove Cockroach Carpet and store in bag and place in secured location. Use one (1) unit for approximately 75-sq. ft. of area to be treated.

### PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

#### CAUTION

Avoid contact with skin, eyes, and clothing. Harmful if absorbed through skin. Avoid contaminating of feed and foodstuffs.

#### STATEMENT OF PRACTICAL TREATMENT:

\* In case of contact, remove contaminated clothing and wash affected area with soap and water.

#### IF INHALED:

- Move person to fresh air. Call a poison control center or doctor for further treatment advice.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

#### IF ON SKIN OR CLOTHING:

- Take off contaminated clothing
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for further treatment advice.

#### IF IN EYES:

- Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**STORAGE:** Store in cool, dry place away from feed and foodstuffs.

**DISPOSAL:** Wrap unit in several layers of paper and discard in trash collection. Do not contaminate water, food or feed by storage and disposal.
