# BIO-HAUTSCHUTZ REPELLENT

Repels mosquitoes, and the common housefly from landing on people and animals, in so doing, it successfully prevents painful bites.

At the same time, natural oils and vitamin E provide effective natural care for your skin. Protective effect continues even on contact with water and perspiration.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Apply Bio-Hautschutz to the entire area of the skin to be protected with the tip of the fingers.

EVAPORATION IN ROOM: Place approximately 2 to 3 fl. ounces of BIOHAUTSCHUTZ in a container to repel insects.

### PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May cause eye irritation. Avoid contact with eyes.

### STORAGE AND DISPOSAL

Do not reuse empty container. Wrap empty container in several layers of newspaper and discard in trash collection.

Dear Ms. Laird;

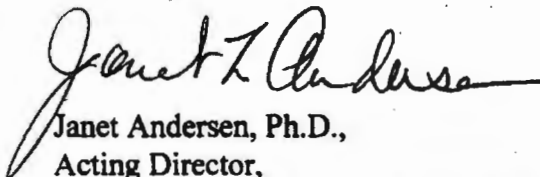

Subject: Bio-Hautschutz Repellent  
File Symbol 50654-5  
Amended Notice of Registration

Thank you for your telephone call on June 12, 1995 regarding the incorrect company number on the notice of registration for the product referenced above. Thank you for bringing this error to our attention. Attached is a correct notice of registration and a stamped approved label to replace the notice and label dated 3/31/95.

The final printed labels for this product were received on 4/20/95 and reviewed. It is noted that the signal word has been moved and incorporated into the sentence, "CAUTION: SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONS." The use of the signal word in a sentence is not acceptable. Your product labeling must comply with the Labeling Requirements for Pesticides and Devices, 40 CFR Part 156.10.

If you have any questions about the labeling requirements, please contact John Tice at 703-308-8295.

Sincerely,

Janet Andersen, Ph.D.,  
Acting Director,  
Biopesticides & Pollution Prevention  
Division (7501W)
