FRONT PANEL

**SIDE PANEL**

**DIRECTIONS FOR USE**

**COTTON**

Twist dispensers loosely around mainstems of cotton near the bottom of plant at pin square. Use immediately prior to moth emergence in your area or adjoining areas. Reapply dispensers two months after initial application as population dictates. Use a minimum dosage of 400 units per acre attached evenly over the field to obtain reduction in mating.

**IMPORTANT NOTICE** - Shin-etsu Chemical Company Ltd. warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions and instructions specified on the label under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product, contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

CONTAINS 500 PIECES

**Storage and Disposal**

**Caution**

Do not contaminate water; food or feed by storage or disposal.

**STORAGE:** Store in a cool place until used.

**PESTICIDE DISPOSAL:** Pesticide that can not be used according to label instructions must be disposed of according to applicable Federal, State and local procedures. Do not contaminate water by cleaning of equipment or disposal of wastes.

**CONTAINER DISPOSAL:** Dispose of dispensers in sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**GENERAL:** Consult Federal, State or local disposal authorities for approved alternative procedures.
