PRECAUTIONARY STATEMENTS
WARNING: KEEP OUT OF REACH OF CHILDREN. HAZARDS TO HUMANS. May cause allergic reaction in some young children or infants. Do not apply to sunburned, damaged, or irritated skin. Do not apply to lips or get in eyes. Harmful if swallowed. May cause eye injury. May damage some synthetic or man-made materials, including but not limited to plastics, telephones, eyeglasses, rain gear, furniture polish, shoe polish, paint and other synthetic products. Be careful with over-spray or spillage.

STATEMENTS OF PRACTICAL TREATMENT
IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
IF IN EYES: Flush with plenty of water. Get medical attention.
PHYSICAL/CHEMICAL HAZARDS: FLAMMABLE. Do not use or store near open flame or sparks.

DIRECTIONS FOR USE
READ ALL DIRECTIONS BEFORE USING THIS PRODUCT. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply a few drops or light spray on skin. Do not spray in enclosed areas. Rub evenly over exposed area if needed. For ticks and chiggers apply to shoe tops, socks, and around openings in clothing. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.
FOR EXTENDED EXPOSURE: Allow at least one "repellent free" day for every 4 to 7 day of continuous use. Wash all exposed skin daily with soap and water.
STORAGE: Store away from heat and flame in an area inaccessible to children.
DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.
