Albany, OR 97321

Subject: The 10-Hour Insect Repellent
EPA Registration No. 50830-1
Application dated July 13, 1999

Dear Ms. Dennis:

The proposed amendment to the registration for the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended revising the label in response to the DEET RED is acceptable subject to the comments listed below:

1) Change the ingredients statement to read:

ACTIVE INGREDIENT
DEET.....98.11%
Other INGREDIENTS..... 1.89%

2) Change the Precautionary Statements to read as follows:

⌘ Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.⌘

3) Change the First Aid section to read:

IF IN EYES:

- * Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- * Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- * Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

The Confidential Statement Of Formula(CSF) dated July 12, 1999 is acceptable and has been placed into the file for this product.

If you have any questions or comments please contact Joseph Tavano at (703) 305-6411.

Sincerely,

Richard Gebken
Acting Product Manager 10
Insecticide Branch
Registration Division (7505C)

PRECAUTIONARY STATEMENTS

WARNING: KEEP OUT OF REACH OF CHILDREN. HAZARDS TO HUMANS. May cause allergic reaction in some young children or infants. Do not apply to sunburned, damaged, or irritated skin. Do not apply to lips or get in eyes. Harmful if swallowed. May cause eye injury. May damage some synthetic or man-made materials including but not limited to plastics, telephones, eyeglasses, rain gear, furniture polish, shoe polish, paint and other synthetic products. Be careful with over-spray or spillage.

FIRST AID

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES: Flush with plenty of water. Get medical attention.

PHYSICAL/CHEMICAL HAZARDS: FLAMMABLE. Do not use or store near open flame or sparks.

DIRECTIONS FOR USE

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply a few drops or light spray on skin. Do not spray in enclosed areas. Rub evenly over exposed area if needed. For ticks and chiggers apply to shoe tops, socks, and around openings in clothing. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.

FOR EXTENDED EXPOSURE: Allow at least one "repellent free" day for every 4 to 7 days of continuous use. Wash all exposed skin daily with soap and water.

STORAGE: Store away from heat and flame in an area inaccessible to children.

DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.
