Licefree Home

Name and Address of Registrant (include ZIP Code):

Cinda Bell  
 SciReg, Inc.  
 12733 Director's Loop  
 Woodbridge, VA 22192

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(B). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Richard Gebken, Product Manager 10  
 Invertebrate & Vertebrate Branch 2  
 Registration Division (7505P)  
 Office of Pesticide Programs

Date:

6/28/17

2. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, "EPA Reg. No. 50830-4."
3. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 2/22/2017

If you have any questions, please contact Matthew Sellner by phone at 703-347-8034, or via email at [sellner.matthew@epa.gov](mailto:sellner.matthew@epa.gov).

Sincerely,

Richard Gebken

BACK PANEL:

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Physical or Chemical Hazards:

Combustible. Do not use or store near heat or open flame.

#### FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Use on non-washable and washable items to kill lice.

#### KILLS LICE

For indoor use in the home and non-food areas of schools, nursing homes, hotels, motels, car interiors, and hospitals.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Restrictions:** Do not spray directly on plants, animals, humans, or food. Following application, allow surfaces to dry. For indoor use only.

**To kill lice:** SHAKE WELL BEFORE USE. Before spraying, test an inconspicuous area for compatibility. Hold container away from your face and spray until surface is visibly wet. Spray approximately one ounce per 2.5 sq ft. of surface area. Lice must be sprayed directly for product efficacy. Reapply in 7-10 days to kill any newly hatched lice or if re-infestation occurs. Allow treated surfaces to dry before allowing pets and humans to use. Do not treat toys, pets, etc. Vacate rooms in hospitals, school and nursing homes prior to treatment.

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store container in a cool dry place. **Pesticide disposal and container handling:** Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
