Subject: Notification per PRN 98-10 – Addition of claim “New” to the product label  
Product Name: Licefreee Home  
EPA Registration Number: 50830-4  
Application Date: August 16, 2017  
Decision Number: 532567

Dear Cinda:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The claim “NEW” is permitted for a period of 6 months from the date of this letter.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

If you have any questions, you may contact Matthew Sellner at 703-347-8034 or via email at [sellner.matthew@epa.gov](mailto:sellner.matthew@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "R. Gebken".

Richard Gebken

BACK PANEL:

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Physical or Chemical Hazards:

Combustible. Do not use or store near heat or open flame.

**FIRST AID:**

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Use on non-washable and washable items to kill lice.

**KILLS LICE**

For indoor use in the home and non-food areas of schools, nursing homes, hotels, motels, car interiors, and hospitals.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Restrictions:** Do not spray directly on plants, animals, humans, or food. Following application, allow surfaces to dry. For indoor use only.

**To kill lice:** SHAKE WELL BEFORE USE. Before spraying, test an inconspicuous area for compatibility. Hold container away from your face and spray until surface is visibly wet. Spray approximately one ounce per 2.5 sq ft. of surface area. Lice must be sprayed directly for product efficacy. Reapply in 7-10 days to kill any newly hatched lice or if re-infestation occurs. Allow treated surfaces to dry before allowing pets and humans to use. Do not treat toys, pets, etc. Vacate rooms in hospitals, school and nursing homes prior to treatment.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store container in a cool dry place. **Pesticide disposal and container handling:** Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
