Dear Dr. Bernard

Subject: Label Revision  
Concern Multi-Purpose Insecticide  
EPA Reg. No. 50932-2  
Submission: June 20, 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

1) You must move the statement "For use in homes, home gardens, & home greenhouses to a location immediately under the name of the product so that it will not be subject to the Worker Protection Standard. We indicated this clearly in the registration notice for this product.

2) Delete the entire paragraph beginning "Concern Multi-Purpose Insect Killer is made from pyrethrin, an extract....".

3) Add to the Environmental Hazard Statement "Do not contaminate water by cleaning equipment or disposal of wastes". This is needed due to the fact this product is mixed.

4) You must submit two copies of the final label prior to marketing as indicated in 40 CFR 156.10(a). We have no record of having received a final label to date.

Sincerely,

Robert S. Brennis  
Acting Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (7505C)

**CONCERN (R) MULTI-PURPOSE INSECT KILLER CONCENTRATE

(butylcarbityl) (6-propylpiperonyl)  
ether and 2.0% related compounds.

\*\*Contains Petroleum distillate.

**NECESSARY ORGANICS**

**"From the Earth-For the Earth"**

**ACCEPTED  
with COMMENTS  
In EPA Letter Dated  
1 JUL 1994**

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.  
50932-2

**MULTI-PURPOSE INSECT KILLER CONCENTRATE**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

MIX 4 Tbs. per gallon of water. (or 1 Tbs. per quart)  
APPLY spray thoroughly to upper & lower leaf surfaces.

Use caution on new growth and tender foliage. Prepare only the amount of spray required. Holding dilute spray more than 24 hrs. is not recommended. Can be used right up to the day of harvest.

● For Use On Vegetables & Fruits including: Asparagus, beans, borccoli, Brussels sprouts, cabbage, cauliflower, celery, collards, cranberries, eggplants, greens, kale, lettuce, peppers, potatoes, radishes, spinach, tomatos & turnips.

For Use on Houseplants, Flowers, Trees & Shrubs including: African violets, asters, azaleas, begonias, camellias, carnations, chrysanthemums, dahlias, dogwoods, geraniums, gladioli, marigolds, roses, rubber plants, wandering jew, etc.

Kills: Aphids, asparagus beetles, blister beetles, cabbage loopers, caterpillars, Colorado Potato beetles, cross-striped cabbageworms, cucumber beetles, diamond-back moth larvae, fireworms, flea beetles, Gypay moth adults, harlequin bugs, imported cabbageworms, Japanese beetles, leafhoppers, leaftiers, Mexican bean beetles, stink bugs, webworms & whiteflies.

● To Control Flea & Ticks On Pets: Dilute at a rate of 4 Tbs. to 1 qt. of water and wet animal by dipping in or spraying on solution.

For use in homes, home gardens, & home greenhouses

**Precautionary Statements**

**Hazards to humans and domestic animals:**

**CAUTION:** Avoid contact with skin, eyes and clothing. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

**Statement of Practical Treatment:**

**IF SWALLOWED:** Call physician immediately. Do not induce vomiting.

**IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.

**IF ON SKIN OR CLOTHING:** Wash skin with soap and warm water. Get medical attention if irritation persists. Remove contaminated clothing, wash before reuse.

**IF INHALED:** Remove to fresh air. Apply artificial respiration if indicated.

**Environmental Hazards**

This product is toxic to fish. Cover aquaria before spraying. Do not apply directly to water.

Concern Multi-Purpose Insect Killer is made from pyrethrin, an extract derived from an African chrysanthemum. It works quickly to paralyze and kill insects on contact.

We guarantee your satisfaction or your money back.
