Agent for Necessary Organics  
SRA International, Inc.  
1850 M Street, N.W., Suite 290  
Washington, D.C. 20036

Dear Mr. Smith:

Subject: Labeling Amendment  
Concern Insect Killer Soap  
EPA Reg. No. 50932-4  
Your submission dated 30 April 1997

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, has been received, and reviewed, and the labeling is acceptable subject to the comment listed below. Please submit five (5) copies of your final printed labeling incorporating the changes prior to releasing your product for shipment. A stamped copy is enclosed for your records.

Update your Environmental Hazards Statement to read "Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark".

Sincerely,

/s/

Tina Levine, Ph.D., Chief  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

NET CONTENTS 32 FL. OZ. (1 QT.) (946 ml)

# Concern

## INSECT KILLING SOAP

Ready to Use

Concern<sup>®</sup> Insect Killing Soap is an easy to apply and effective insecticide made from specially-formulated potassium salts of fatty acids. It penetrates and damages the outer shells of soft-bodied insect pests, causing dehydration and death within hours of contact. Concern<sup>®</sup> Insect Killing Soap does not destroy insect eggs, therefore, several applications may be necessary for complete control.

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if inhaled. Causes moderate eye and skin irritation. Avoid contact with skin, eyes or clothing or breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

#### STATEMENT OF PRACTICAL TREATMENT

**If In Eyes:** Flush eye with plenty of water. Call physician if irritation persists.

**If On Skin:** Wash with plenty of soap and water. Get medical attention if irritation persists.

**If Inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

#### ENVIRONMENTAL HAZARDS

This product may be hazardous to aquatic invertebrates. Cover aquaria before spraying. Do not apply directly to water.

#### STORAGE AND DISPOSAL

Store only in original container, in a dry place. Avoid freezing. To dispose of, rinse thoroughly. Securely wrap in newspaper and discard in trash. Do not reuse empty container.

Buyer assumes all responsibility for safety and use not in accordance with directions.

### DIRECTIONS FOR USE

*It is a violation of Federal law to use this product in a manner inconsistent with its labeling.*

#### SHAKE WELL BEFORE USING

Spray when insects first appear or damage is noticed. Thoroughly spray all infested areas to the point of runoff, hitting insects directly with insecticide spray where possible. Apply weekly as needed (repeat application after 2 or 3 days to control aphids and mealybugs). Can be used up to day of harvest.

#### For Use On Vegetables Including:

Asparagus, beans, beets, broccoli, cabbage, cucumbers, eggplants, lettuce, peas, peppers, potatoes, radishes, spinach, squash & tomatoes.

#### For Use On Flowers & Bedding Plants

(indoors & out) including: Foliage plants, roses & succulents.

**For Use On Fruits & Nuts Including:** Apples, blackberries, cherries, cranberries, English walnuts, grapes, grapefruits, lemons, melons, oranges, peaches, pears, pecans, plums & strawberries.

**For Use On Woody Landscape Shrubs & Trees Including:** Fir trees & evergreens.

**Kills:** Acalegids, aphids, cabbageworms, earwigs, flea beetles, lace bugs, leafhoppers, mealybugs, mites, plant bugs, psyllids, rose slugs, sawfly larvae, scale insects, squash bugs, stink bugs, tent caterpillars, thrips & whitefly.

*Do not use on new transplants, unrooted cuttings or plants stressed by drought. Not recommended for poinsettias. Avoid spraying in full sun when temperatures exceed 90°F. Do not spray fruit when blooms are present. If wilting occurs within a few hours of spraying, rinse with a spray of fresh water.*

*For Use In Homes, Home Gardens & Home Greenhouses*

We guarantee your satisfaction or your money back.
