OCT 8 2009

Subject: Label Notification(s) for Pesticide Registration Notices 2007-4 and 98-10
1. Updated warranty statement

Dear Mr. Mongiovi:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 and 98-10 dated August 31, 2009 for:

EPA Registration 50932-4

Concern Insect Killing Soap Ready-to-Use

The Registration Division (RD) has conducted a review of this request for applicability under PR Notice 2007-4 and 98-10 and finds that the label changes requested falls within the scope of PR Notice 2007-4 and 98-10. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Nicole Williams of my staff at 703-308-5551.

Sincerely,

A handwritten signature in black ink, appearing to be "Linda Arrington".

Linda Arrington

MASTER LABEL- BACK PANEL (Page 1 of 3)

Concern® Insect Killing Soap Ready To Use

Concern® Insect Killing Soap is an easy to apply and effective insecticide made from specially formulated potassium salts of fatty acids. It penetrates and damages the outer shells of soft-bodied insect pests, causing dehydration and death within hours of contact. Concern® Insect Killing Soap does not destroy insect eggs; therefore, several applications may be necessary for complete control.

PRECAUTIONARY STATEMENTS

Hazards To Humans And Domestic Animals

CAUTION: Harmful if inhaled. Causes moderate eye and skin irritation. Avoid contact with skin, eyes or clothing or breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.
