PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID

If in eyes:
<ul style="list-style-type: none">- Hold eye open and rinse slowly and gently with water for 15-20 minutes.- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.- Call a poison control center or doctor for treatment advice.
If on skin or clothing:
<ul style="list-style-type: none">- Take off contaminated clothing.- Rinse skin immediately with plenty of water for 15-20 minutes.- Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Contact 1-800-858-7378 for emergency medical treatment information.

GENERAL INFORMATION: Animal Repellent Granular contains active ingredients that irritate animals when they touch or taste the product. This product can be used to effectively repel dogs, cats, ground hogs, squirrels, skunks and raccoons from treated areas for up to 30 days. This product repels by odor and taste.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOORS: Use in non-living areas only (attics, basements, cellars, storage areas, garages, sheds and barns). Using gloves, lightly sprinkle granules directly from container at a rate of 0.25 lbs/15 Square Feet [Ft²] on areas to be protected. Repeat application after 30 days, if needed. 2.0 lbs will treat approximately 120 Square Feet [Ft²] [5.0 lbs will treat approximately 300 Square Feet (Ft²)] [10.0 lbs will treat approximately 600 Square Feet Square Feet (Ft²)].

OUTDOORS: Apply on sunny, dry days. Do not apply to foliage of shrubs or to ornamental, soft-bodied plants. Do not apply to food or feed crops. Using gloves, lightly sprinkle granules directly from container or using a spreader at a rate of 1 lb. per 40 Square Feet [Ft²]. Can be applied to lawns, garden paths and flowerbeds. To treat specific sites such as garbage bags, ornamental plants, trees or shrubs, spot treat ground around area to be protected, or if possible apply granules to ground as a border around entire area to be protected. Repeat application after 30 days, if needed. 2.0 lbs will treat approximately 80 Square Feet [Ft²] [5.0 lbs will treat approximately 200 Square Feet (Ft²)] [10.0 lbs will treat approximately 400 Square Feet Square Feet (Ft²)].

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store in original container in a cool, dry place inaccessible to children and pets. Keep container tightly closed to prevent evaporation.

PESTICIDE DISPOSAL: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or (800)-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Notice: Woodstream Corporation will not accept liability for damage or injury resulting from use not in accordance with label directions. For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.
