

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

50932-12

Date of Issuance:

JUN 2 2003

Term of Issuance: Unconditional

Name of Pesticide Product:

Concern® Diatomaceous Earth
Crawling Insect Killer

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Woodstream Corporation
69 North Locust Street
Lititz, PA 17543-0327

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3).

1. Make the following labeling change:
 - a. Revise the EPA Registration Number to read "EPA Reg. No. 50932-12"
2. Submit two (2) copies of your final printed label before you release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling.

Signature of Approving Official:

George T. LaRocca

Date:

JUN 2 2003

Labeling distributed under this registration may include the phrase "For Organic Production" and language/logo indicating that the product is "OMRI™ Listed". Please note that any future changes to your label or Confidential Statement of Formula (CSF) for this product must be allowable under the National Organic Program administered by the USDA, unless the change is to remove these statements. Further, you are reminded that it is your responsibility to monitor future changes to the National Organic Program to assure that your product continues to meet the criteria for use under the program. If at some time in the future a change to the program is made such that your product no longer meets the criteria, it is your responsibility to amend your label accordingly.

A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

George T. LaRocca
Product Manager (13)

BACK PANEL- PAGE 2 of 2

[For 4.0 lb Bag Packaging]: Concern® Diatomaceous Earth Crawling Insect Killer is intended for application with a hand duster, power duster, or similar means of application to areas where crawling insects are found. Apply Concern® Diatomaceous Earth Crawling Insect Killer to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and uniformly.

Indoor use:

For control of **Earwigs, Millipedes, Centipedes, Silverfish, Cockroaches, and Ants:** Lightly coat a thin layer of Concern® Diatomaceous Earth Crawling Insect Killer in areas where these pests are found or may hide, such as cracks and crevices, behind and beneath refrigerators, cabinets, stoves, garbage cans, and in and around sewer pipes and drains, window frames, and in attics and basements. Dust insects directly if possible. Repeat treatment regularly.

Fleas: Thoroughly treat floor and bedding in and around pets' sleeping quarters. Treat surrounding cracks and crevices, baseboards, carpeting, and wherever fleas are suspected.

Carpet Beetles: Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

Outdoor Use:

For control of **Ants, Cockroaches, Earwigs, and other Crawling Insects:** Lightly coat a thin layer of Concern® Diatomaceous Earth Crawling Insect Killer in areas where these insect pests are found such as patios, window and door frames and outdoor sills. Dust around foundations, along ant trails, and around sewer pipes and drains. Repeat treatment as necessary.

Buyer assumes all responsibility for safety and use not in accordance with label directions.
