Lititz, PA 17543

Subject: Label Amendment - Registration Review Mitigation for Zeta- Cypermethrin
Product Name: ANTGUARD ENCASED
EPA Registration Number: 50932-18
Case Number: 477718
Application Dates: August 9, 2021

Dear Georgia Anastasiou:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Zeta-Cypermethrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for

shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Kelsi Grogan by phone at 202-566-2228, or via email at grogan.kelsi@epa.gov

Sincerely,

A handwritten signature in dark ink, appearing to read "Kevin Costello", is written over a faint, larger signature that appears to read "John A. Costello".

Kevin Costello, Branch Chief
Risk Management and Implementation Branch 2

MASTER LABEL-BACK PANEL (Page 1 of 3)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Do not allow children to play with this product.

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye. Call a poison control center or doctor for further treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

ENVIRONMENTAL HAZARDS

The active ingredients are toxic to fish. Do not apply directly to water. Do not contaminate water by disposal of used ANTGUARD ENCASED®. Use the product only as specified on the label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store product in original container in a cool, dry place in an area inaccessible to children and animals. Do not store with food or feed.

Container Disposal: If empty: Nonrefillable container. Do not reuse or refill empty container. Wrap device in newspaper and put in trash or dispose of in a sanitary landfill, or incinerate, or other procedures approved by state and local authorities. Call your local solid waste agency for disposal instructions.

MASTER LABEL-BACK PANEL (Page 2 of 3)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The ANTGUARD® ENCASED system repels ants*. The protective disk inside this product prevents ants from reaching the hummingbird feeder.

*Excludes fire, harvester, argentine, carpenter, pharaoh.

Ants* are attracted to nectar. As ants* forage they enter the ANTGUARD® ENCASED device. Inside is a disk which repels ants*. (Scout ants return to their nest and warn the other ants* (of the ANTGUARD® ENCASED.)) ANTGUARD® ENCASED keeps rain off the disk and protects the nectar supply.

For outdoor use only.

To Install: First clean your hummingbird/nectar feeder and add fresh nectar according to manufacturer's instructions. Next, remove ANTGUARD® ENCASED from package and extend the lower baffle. Attach the ANTGUARD® ENCASED below the hanging hook and above the hummingbird feeder (see photo on opposite panel of package.) ANTGUARD® ENCASED starts to work immediately; all ant activity should stop within 24 hours. Under normal conditions, ANTGUARD® ENCASED will give a full season of ant* control.

Repellent disk is inaccessible to feeding birds!
