Subject: *Sask-Chlor Calcium Hypochlorite 70%*
EPA Registration No. 50956-5
Application Date: September 24, 2003
Receipt Date: September 26, 2003

Dear Mr. Dychdala:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

Conditions

- 1. *Revise the Ingredient statement as follows:*

Active Ingredient:
Calcium Hypochlorite 70%
Other Ingredients 30%
Total 100%

- 2. *The "Hazards To Humans And Domestic Animals" should be revised to read: Highly Corrosive. May cause skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin and clothing. Wear goggles or safety glasses and rubber gloves when handling this product. May be irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.*
- 3. *The Warranty statement should be removed from the directions for use section and place elsewhere on the label.*

DANGER**

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice.

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

IN THE EVENT OF A MEDICAL EMERGENCY CALL 1-877-800-5553

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. (See additional precautions on back panel.)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - DANGER

Corrosive. May cause skin and eye irritation. May be fatal if swallowed. Do not get in eyes, on skin, or on clothing. Wear goggles or safety glasses and rubber gloves when handling this product. May be irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

USER SAFETY RECOMMENDATION: Wash hands thoroughly with soap and water after handling, before eating, drinking, using tobacco or chewing gum. If contaminated remove clothing immediately and change into clean clothing. Wash clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash the outside of the gloves before removing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to sewer discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS

STRONG OXIDIZING AGENT: Mix only with water. Use clean dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other chemicals will start a chemical reaction and generate heat, gases, and possible fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, immediately isolate container in open air or well-ventilated area. Promptly flood area with large volumes of water.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Seller's guarantee shall be limited to the terms set out on this label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition. Buyer assumes all responsibility for safety and use not in accordance with directions.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Keep this product dry in a tightly closed container when not in use. Product must be stored in approved packaging, in a dry cool location and away from all heat sources as well as away from all possible contaminants that may initiate a decomposition reaction.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed on-site or at an approved waste disposal facility. Improper disposal of excess pesticide, spray mix or rinsate is a violation of Federal law. If these wastes cannot be disposed by use according to label instruction, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Do not reuse empty container. Empty product before container disposal. Dispose bags or containers in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
