Gentlemen:

Subject: Mint Disinfectant
EPA Registration No. 51033-20
Your Amendment Application Dated February 13, 1987

A review of the submitted Confidential Statement of Formula (CSF) follows.

[REDACTED] to this formulation would be acceptable. However, ask your supplier to submit to this Agency the trade name, chemical name, chemical composition, the percentage or range of percentages, CAS Number [REDACTED] and Material Safety Data Sheet. [REDACTED] chemical composition, CAS Number, CI Number, and Material Safety Data Sheet.

For our records, submit a revised CSF filled out completely. In Block 13a enter the weight of each component; in Blocks 14a and 14b enter the upper and lower certified limits. In Block 15 enter Purpose in Formulation for each component.

The amendment is acceptable provided that you:

1. Submit/cite all data required for registration/reregistration of your product under section 3(c)(5) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. [REDACTED] and [REDACTED] to the inert ingredients and adjust the Inert Ingredient percentages.

b. Add the following misuse statement under DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

John H. Lee
