DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO DISINFECT, hold can upright, 6" to 8" from surface. Spray surface 2 to 3 seconds until covered with fine mist. Let dry on surface. Avoid spraying lacquered or shellacked surfaces.

TO DEODORIZE, hold can upright and spray into center of room 1 to 2 seconds.

USES:

THIS DISINFECTANT kills deadly Staphylococci, Streptococci, Salmonella, Trichophyton Interdigitale (the athlete's foot fungus) and many other germs on environmental surfaces. Spray regularly to disinfect bedsteads, bed springs, bedrails, bedside tables, bathroom basins, toilet seats, shower stalls, bathtubs, telephones, door handles, light switches, plumbing and plumbing fixtures, window blinds, empty hampers, waste receptacles, sills, walls, closets, soles of shoes for temporary sanitization places where germs may be a problem. The aerosol spray penetrates areas hard to reach with non-propelled liquid disinfectants.

PREVENTS MOLD AND MILDEW: Use in basements, closets, laundry rooms, summer cottages, boats, storage areas, shower stalls. Excellent for preventing mold and mildew on mattresses, pillows, shower curtains, leather and vinyl upholstery and similar surfaces. For mildew control, follow directions for disinfection. Application should be repeated once a week or when new growth appears on hard surfaces. Surfaces should be cleaned prior to application.

KILLS ODORS: Spray in the air to eliminate cooking, bathroom and smoke odors. Leaves a fresh lemon scent. This disinfectant kills many germs that can cause odors. When used as a surface disinfectant, this disinfectant kills odor-causing germs in empty garbage cans, diaper pails, sick rooms, pet areas and other inanimate hard surfaces.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Avoid inhalation. Avoid contact with food and food stuffs. Do not spray in eyes. If eye contact occurs, flush with water. If irritation persists, get medical attention.

PHYSICAL AND CHEMICAL HAZARDS:

FLAMMABLE: Contents under pressure. Keep away from heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

STORAGE AND DISPOSAL:

Storage: Store only in a cool area away from heat or open flame.
Disposal: Replace cap and securely wrap original container in several layers of newspaper and discard in trash.
