- INERT INGREDIENTS: . . . . . 99.36%

MULTICIDE<sup>®</sup> Registered Trademark of McLaughlin Gormely King

**KEEP OUT OF REACH OF CHILDREN  
CAUTION:**

See additional precautions on side panel.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**IN MIXTURE-EQUIPMENT:** Use spraying device similar to a Microsol machine or cold aerosol generators such as MICRO-GEN and LECO.

To Kill Fleas, Mosquitoes, Tsetse Flying Moths and Gnats: Close room, warehouse or other area to be treated and shut off all ventilating systems. Dispense this product at 2 fl. oz. per 1000 cubic feet of room space. Do not return in treated areas. Leave room closed for 1/2 hour. Ventilate the area after treatment is completed. Repeat application as necessary for insect control.

**IN PRESSURIZED TANK SPRAYERS FOR WETTING CONTACT SPRAYS:**

To Kill the listed insects, the spray should be used as follows at a rate of 1 gallon per 1000 square feet of surface area.

To Kill Cockroaches, Ants and Crickets: Contact as many insects as possible with the spray in addition to thorough spraying of all parts of the room suspected of harbouring these pests. Special attention should be paid to cracks, hidden surfaces under sinks, behind stoves and refrigerators and wherever these pests are suspected of hiding. To kill ants, treat floors, around window frames, ant trails and other areas of entry. Repeat as necessary.

To Kill Carpet Beetles: Directly spray as many insects as possible. Spray both interior and exterior of upholstered furniture. Both top and bottom of rugs and carpets should be sprayed thoroughly. Also treat shelves, closets, areas under furniture and wherever these insects are seen or suspected. Repeat as necessary.

To Kill Exposed Forms of Confused Flour Beetles, Saw-toothed Grain Beetles, and Rice Weevils: Find and destroy infested package foods. Remove all other items from pantry. Spray the shelves to kill any of the named insects present. Place clean paper on the shelves and return packages after shelves have dried. Apply as a coarse wet spray to all other areas infested with these insects. Pay particular attention to cracks and crevices in floors, walls and ceiling. Repeat as necessary.

To Kill Sawtooths, Proctos and Soldiers: Contact as many insects as possible with the spray. Also thoroughly spray all parts of the room suspected of harbouring these pests. Special attention should be paid to cracks, crevices, hidden surfaces under sinks, behind stoves and refrigerators and machinery.

NET CONTENTS: 1 GALLON (3.8 L)

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing in households, patients should be removed from room prior to treatment. Room should be ventilated for two hours after spraying. Do not return patients to room until after ventilation. Avoid contamination of food and foodstuffs. Food should be removed or covered during treatment. Do not spray while food processing is underway. After space spraying food contact surfaces and equipment must be washed with an effective cleaning compound followed by a potable water rinse.

### STATEMENT OF PRACTICAL TREATMENT:

**If Swallowed:** Do not induce vomiting. Call a physician or Poison Control Center immediately. **If Inhaled:** Remove to fresh air. **If On Skin:** Remove contaminated clothing and wash affected areas with soap and water. **If In Eyes:** Flush eyes with plenty of water. Get medical attention if irritation persists. **NOTE TO PHYSICIAN:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

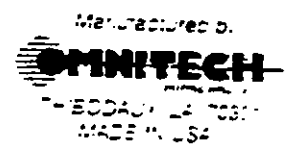

### PHYSICAL OR CHEMICAL HAZARDS:

**CAUTION:** Flammable. Keep away from heat, sparks, and open flame.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. **Storage:** Store in a cool, dry place. Keep container closed. **Pesticide Disposal:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: For metal containers, rinse for equipment, and other for recycling or reconditioning or dispose of in a sanitary landfill, or by other approved State and Local procedures. For plastic containers, follow same procedures as for metal, or dispose of by incineration if permitted by State and Local authorities. If incinerated, stay out of smoke.
