 3. Remove personal protection equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

PHYSICAL OR CHEMICAL HAZARDS

Protect from freezing. Store out of direct sunlight.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This chemical may be used only for the formulation of products containing indole-3-butyric acid and gibberellic acid intended for:

(1) The Following Use(s)

Terrestrial, Food Uses On: Barley, Beans, Beets (sugar), Broccoli, Brussels Sprouts, Cabbage, Cauliflower, Corn (field, sweet), Cotton, Cucumbers, Grapefruit, Lemons, Lettuce, Melons, Mustard Greens, Oats, Onion, Oranges, Peanuts, Peas, Peppers, Potatoes, Rice, Rye, Sorghum (milo), Soybeans, Spinach, Squash, Strawberries, Sugarcane, Tomatoes, Turnips, Wheat.

Terrestrial, Non-Food Uses On: Ornamental Herbaceous Plants, Ornamental Woody Shrubs and Vines, Ornamental and/or Shade Trees, Golf Course Turf (greens, tees, fairways & rough), Ornamental Lawns & Turf

(2) Uses for which the U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration;

and

(3) Uses for experimental purposes that are in compliance with U.S. EPA requirements.

Formulators are responsible for obtaining EPA registrations for their formulated products.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE:

Store product in original container away from other pesticides, fertilizers and feedstuffs. Keep out of reach of children and animals. After partial use, replace lids and close tightly.

In case of spill, avoid contact, isolate area and keep out animals and unprotected persons. Confine spills diking surrounding area or absorb with sand, cat litter, commercial clay or gel absorbants. Place damaged package in a holding container. Identify contents.

PESTICIDE DISPOSAL:

Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

Metal containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Do not cut or weld container.

Plastic Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Returnable/Refillable Sealed Container: Do not rinse container. Do not break seals. Return intact to point of purchase or location authorized by manufacturer.

CONDITIONS OF SALE AND LIMITED WARRANTY:

The Directions For Use of this product reflects the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this
