**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration notice is being issued in accordance with Section 6(b)(1)(A) of the FIFRA subject to the following conditions.

1. It is understood that you will submit and/or cite all data required for registration or re-registration of your product under Section 6(b)(5) of the FIFRA when the Agency requires. If you submit data of value, please submit such data.

2. You will submit five copies of your finished printed labels complying with the requirements or revision specified in the attachment to this registration notice.

A stamped copy of the final label is enclosed for your records. Your compliance with the printed conditions of this registration notice is subject to cancellation in accordance with Section 6(c) of the FIFRA.

**EPA Registration No. 51145-3 Date Issued: August 20, 1984**

**Company Name: Quality Supplies & Service, Inc.**

**Product Name: Evergreen Pine Odor Disinfectant**

**The following requirements or revisions apply to the label which was accepted with this registration notice:**

- 1. The registration number which has been assigned to this product must appear on the label as EPA Registration No. 51145-3.**
- 2. On the right panel under Disinfecting "Industrial Areas" change (1 part to 32 parts water) to read (1 part to 31 parts water).**
- 3. The labels which will be used for this product in channels of trade must reflect these revisions.**
- 4. Five copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.**
- 5. The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Federal Regulations. Failure to do so may result in rejection of the labels.**

Bio-Guard P-6

**BEST AVAILABLE COPY**

**THIS DISINFECTANT** is effective against a wide variety of gram-positive and gram-negative bacteria. It is also an excellent deodorant and is especially effective in controlling odors that are bacterial in origin.

**THIS DISINFECTANT** mixes with water to form clear, stable use solutions. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most common metals. Has a pleasant pine odor.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
AND DOMESTIC ANIMALS  
DANGER**

Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Wear goggles or face mask and rubber gloves when handling.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public water unless in accordance with an NPDES Permit.

**PHYSICAL OR CHEMICAL HAZARDS:** Do not use or store near heat or open flame.

**USE DIRECTIONS**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**APPLICATION INFORMATION**

Select the proper dilution of **THIS PRODUCT** for your use from the directions below. Apply the use solution with a clean mop, sponge, cloth, squeegee, or mechanical scrubber.

Prepare fresh use solutions daily. Do not reuse solutions. Discard solutions when they become visibly soiled. For disinfection, thoroughly wet the surfaces to be treated. Surfaces must remain moist for at least 10 minutes to assure proper germicidal action.

**ACCEPTED  
with COMMENTS  
in EPA Letter Dated:**

51145-3  
AUG 20 1984

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.
