Subject:

Label Notification(s); Pesticide Registration Notification (PRN) 98-10

MORPEL® Intermediate 2007, EPA Reg. No. 51147-12 (formerly 1021-1290)

Your Submission Dated August 12, 2010

Dear Ms. Biornson:

The Agency is in receipt of your application for Pesticide Notification under Pesticide Registration Notification (PRN) 98-10, dated August 12, 2010, for the referenced product. The Registration Division has conducted a review of this request for its applicability under PRN 98-10, and finds that the action(s) requested fall within the scope of PRN 98-10.

Please be reminded that 40 CFR §156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-Notification/PRN 98-10) or durably marked on the container itself.

The label submitted with this application has been time-stamped "Notification," and will be placed within the administrative file for this product. If you have any questions, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at <u>Rodia.Carmen@epa.gov</u>.

Sincerely yours,

Richard J. Gebken Product Manager (10)

Notification to update the primary brand name resulting from the transfer of the product registrations from MGK (EPA Company Number 1021) to Vertellus Performance Materials, Inc. (EPA Company Number 51147)

Dear Mr. Gebken:

Technology Sciences Group, Inc., on behalf of Vertellus Performance Materials, Inc. (Vertellus), is submitting the enclosed notification to update the primary brand name for the recent MGK products that were transferred to Vertellus (Official EPA transfer letter dated July 22, 2010 included). Additionally, the new EPA Registration number and registrant information is included on the revised label.

Please do not hesitate to contact me directly with any questions.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes. streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use in the manufacture of pesticide products for use in residential and indoor non-food areas only. This product may not be used to formulate products for the following uses: food producing livestock - direct applications to meat and dairy animals, treatment of occupied premises or when animal food or feed is present; growing crops; edible crops and pre- and post-harvest sprays; fumigated commodities; and aquatic uses.

For formulations of this product intended for human use, the maximum percent of active ingredient in any formulation type is 2.5.

This product is to be used with appropriate solvents, carriers, and in the case of pressurized products, and propellants in the manufacture of insecticide sprays.

This product may be used to formulate products for any additional use(s) not listed on the label i. the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Mix well in drum before sampling and each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable Container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying and offer for recycling, if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.
