NOTIFICATION
AUG 31 2011

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

Notification to update company address and EPA registration number due to product ownership transfer from MGK Company to Vertellus Performance Materials, Inc.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA. Please confirm receipt with Micah Reynolds: mreynolds@tsqusa.com, via phone (202) 828-8967, or via fax (202) 872-0745.

Arlington, Virginia 22202

Dear Mr. Gebken:

Technology Sciences Group, Inc., on behalf of Vertellus Performance Materials, Inc. (Vertellus), is submitting the enclosed notification to update company specific information in the enclosed product label due to a company transfer. As you may recall, McLaughlin Gormley King Company transferred its DEET product registrations to Vertellus in July 2010. As part of the transfer process, Vertellus changed many products' brand names; however, Vertellus retained the old MGK product name for this product and no EPA Notification was required since company name and other company designations were the only changes. In order for the state registration process to continue however, Vertellus is submitting the enclosed Notification in order so that the new company name and address, EPA Reg. No., EPA Est. No. and First Aid phone number have been sufficiently notified to EPA and the new label placed on file. Please find enclosed the following documents supporting this notification:

- 1) EPA Notification Form (EPA Form 8570-1);
- 2) One copy of the revised label with changes highlighted;
- 3) Three clean copies of the revised label.

If you have any questions or require additional information or clarification, please do not hesitate to contact me by phone at (202) 828-8967 or by e-mail at mreynolds@tsgusa.com.

Sincerely,

Regulatory Consultant to
Vertellus Performance Materials, Inc.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed, absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Do not breathe vapors. Wear long-sleeved shirt and long pants; socks; shoes; chemical-resistant gloves such as Barrier Laminate, Neoprene Rubber, or Viton; and protective eyewear such as goggles, face shield, or safety glasses. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Only for formulation into an Insecticide for the following use(s): insect repellent products that are used on and around humans in indoor and outdoor situations.

This product is to be used with appropriate solvents, carriers, and in the case of pressurized products, propellants in the manufacture of insect repellent products that are used on and around humans in indoor and outdoor situations. This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Warm contents to room temperature. Mix contents well in drum before sampling and each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feedstuffs by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place. Keep container tightly closed. Protect from freezing.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING: Nonrefillable Container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying. Then offer for recycling if available or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill or by other approved state and local authorities.
