AVG 8 2011

Scott Kerns  
The RectorSeal Corporation  
Manager of Safety and Environmental/Regulatory Affairs  
2601 Spenwick Drive  
Houston, Texas 77055-1035

SUBJECT: ACTABS  
EPA Registration Number: 51219-3  
Application Dated: May 4, 2011  
Receipt Date: May 10, 2011

Dear Mr. Kerns:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with comments.

- Updating First Aid Statement as required by PR Notice 2001-1 and in response to New-York DEC letter dated April 26, 2011.

**Conditions**

1. Revise the Precautionary Statement to include the following: "...Wash thoroughly with soap and water after handling and before eating, drinking, *chewing gum*, using tobacco *or using the toilet*".
2. Revise the First Aid section by adding: "*Note to Physician; Probable mucosal damage may contraindicate the use of gastric lavage*" as the final statement.

**General Comments:**

The stamped copy of your label is attached. Should you have any questions concerning this letter, please contact Emilia Oiguenblik at (703) 347-0109 or Velma Noble at (703) 308-6233.

Sincerely,

*for* *Velma Noble*

**ACTABS®** AIR CONDITIONING & REFRIGERATION DRAIN PAN TREATMENT  
FOR AIR CONDITIONING SYSTEMS FROM 6 TO 15 TONS

6 (1/5 OZ.) TABLETS NET WT. 1.2 OZ. (34 gr.)

**KEEP OUT OF REACH OF CHILDREN.**  
**DANGER: SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS**

center clear  
window

Eliminates or prevents most blockages in drain lines due to the build-up of bacterial slime, rust, scale, sludge, air-borne dust, silt and other solids. Combats stale water odors. When used according to directions, ACTABS® will inhibit the growth of the following organisms: Thermoactinomyces vulgaris, Pseudomonas aeruginosa, Bacillus circulans, Bacillus licheniformis, Bacillus megaterium and Aerobacter aerogenes.

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal.  
**STORAGE:** Store in a cool, dry place inaccessible to children.  
**DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Remove inner package containing tablets from outer plastic bag. Place the package, holes down and tablets facing up, into drain pan at a point as far from the drain hole as possible. Be sure that the single tablet at one end of the package is farthest from the drain hole. In extremely dirty pans it would be helpful to clean the pan before placing the package. The dirt might block the opening in the bottom of the package and inhibit metering of the ACTABS®. Use one package for each 2 square feet of drain pan area. Replace pouch when tablets have dissolved

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**

**DAANGER:** Corrosive. Causes irreversible eye damage and skin irritation. Do not get in eyes or on clothing. Harmful if swallowed. Wear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

**IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

**IF SWALLOWED:** Call a Poison Control Center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison control Center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**Note to Physician:** Probable mucosal damage may contraindicate use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**Active ingredients:**

n-Alkyl (98% C12, 2 % C14) dimethyl l-naphthyl(methyl) ammonium chloride monohydrate.....20%

Inert ingredients.....80%

100%
