

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

NOTICE OF PESTICIDE:
____ Registration
xx Reregistration

(under FIFRA, as amended)

EPA Reg.
Number:

51311-1

Date of Issuance:

MAR 24 1997

Term of Issuance:

UnConditional

Name of Pesticide Product:

Zap-A-Roach

Name and Address of Registrant (include ZIP Code):

Tamby Chemical Inc.
214 51 Street
Brooklyn, NY 11220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Documents, EPA has reregistered the product listed above. With regards to labeling, you must make the labeling changes listed below:

1. Revise the Precautionary Statements to read:

"Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse."

2. Revise the Statement of Practical Treatment to read:

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

Signature of Approving Official:

RPK

Date:

MAR 24 1997

3. Revise the statement "See back panel for other cautions" to read "See back panel for other precautionary statements".
4. Under the Directions for Use, delete the subheading "GENERAL CLASSIFICATION".
5. Under the Directions for Use, correct the spelling of the word "HILDING" to read "HOLDING".

The Agency has not reviewed the Spanish translation accompanying the submitted labeling. Foreign language text is permitted on the product label, however you must submit a certification that the foreign language text is an accurate translation of the English text.

Submit two copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

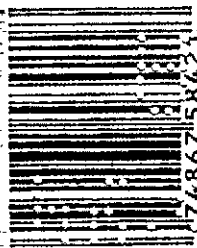

Enclosed is a copy of your label stamped "Accepted with Comments". This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for control reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

BEST AVAILABLE COPY

This package is sold by weight. Top of bottle is left empty so powder will dispense and flow freely from bottle when squeezed.

Este paquete se vende por peso. La botella está parcialmente vacía para ayudar al producto a salir libremente.

**PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

**INFORMES DE PRECAUCION
PELIGRO PARA HUMANOS Y ANIMALES DOMESTICOS.**
Aviso: Dañino si se traga. Puede causar irritación a los ojos. Lávese bien las manos después de usarlo.

**Zap-A-Roach™
100% BORIC ACID ROACH KILLING POWDER**

**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control cockroaches, ants, silverfish, and waterbugs: SHAKE WELL, TWIST CAP UNTIL FULLY OPEN, HOLDING BOTTLE AT 45° ANGLE. POWDER SHOULD FLOW FREELY WHEN SQUEEZED. For faster application, remove top. Use a spoon to distribute powder in hard-to-reach places. Apply liberally, scattering under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets. Remove all lower drawers in kitchen and bathroom cabinets, cupboards, bedroom dressers and closets, then scatter liberally in drawer walls.

Reapply as necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared, or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs. This product may be used in homes, markets, schools, warehouses, factories, hotels, hospitals, garages, apartment buildings, and military bases.

**INSTRUCCIONES DE USO
CLASIFICACION GENERAL**

El uso de este producto de una manera inconsistente con las instrucciones de su etiqueta constituye una violación a la ley federal.

Para controlar cucarachas, hormigas, silverfish (leptomas) y chichas acuáticas: MUEVA BIEN. DE VUELTA A LA TAPA HASTA QUE ESTE COMPLETAMENTE ABIERTA. AGUANTE LA BOTELLA A UN ANGULO DE 45°. - EL PRODUCTO DEBE SALIR LIBREMENTE AL APRETAR LA BOTELLA. Para una aplicación rápida, quite el tapón. Use una cuchara para llegar a lugares más difíciles. Aplique libremente el producto debajo y detrás de la nevera, estufa, fregadero, lavadora de platos, lavadora y secadora de ropa, bañera, en huecos alrededor de desagües, tubos y conductos eléctricos; en hendiduras de la paredes y rincones de gabinetes y armarios. Saque las gavetas más bajas de los gabinetes de cocina, baño y armarios. Coloque el producto en los huecos de estas.

Aplique nuevamente según sea necesario. Debe quitar o cepillar el polvo que se queda visible después de aplicarlo. Aplique solamente en áreas inaccesibles a niños y animales domésticos. No utilice el producto en áreas donde hay comestibles, en establecimientos donde se maneja comida, restaurantes o en lugares donde se prepara o produce comida comercialmente. No use en áreas donde se sirven alimentos mientras éstos estén al descubierto. Evite la contaminación de comestibles.

Este producto se puede utilizar en el hogar, mercados, escuelas, almacenes, fábricas, hoteles, hospitales, garajes, edificios de apartamentos y bases militares.

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.
DISPOSAL: Do not reuse empty container. Securely wrap in newspaper and discard in trash.

ALMACENAJE: Mantenga el producto en su envase original, en un lugar seco inaccesible a niños y animales domésticos. **DESECHAR:** No use el envase vacío otra vez. Envuélvalo y tirelo a la basura.
