Subject: Amended label to revise claims and illustrations
Product Name: Black Jack Roach Baits
EPA Registration No. 51311-4
EPA Decision No. 468477

Dear Dr. Brooks:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable. A stamped copy of the label is enclosed for your records. Please submit one copy of your final printed labeling before you release the product for shipment. Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, please contact Julie Chao at (703) 308-8735 or chao.julie@epa.gov.

Regards,

A handwritten signature in black ink, appearing to read "John Hebert".

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Warning: May be fatal if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use Information and Precautions

Remove all food sources and foods from areas where roach discs are to be placed. Use all [12 or 8] discs at one time for thorough roach control. Do not remove roach discs from box until ready to use. Do not contaminate food or feedstuffs. Do not use this product in food areas of food handling establishments, restaurants, or other areas where food is prepared or processed. Do not remove bait from discs.

Application Instructions:

- 1- Break individual discs apart from plastic frames (Graphic as pictured).
- 2- Place roach discs primarily in kitchen area and bathrooms. Also place near where roaches have been. Other areas might include the pantry, utility room, near exposed plumbing fixtures, windows and doors, under sinks, in corners, under stoves or refrigerators, in cabinets.
- 3- Roaches will feed on the bait and generally return to their hiding place to die.
- 4- Replace all [12 or 8] roach discs every 3 months, or as needed, to keep roaches from returning.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a dry, cool place. Keep in original container.

Container Disposal:

Nonrefillable container. Do not reuse or refill this container.

If Empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY

To the fullest extent permitted by law, neither the manufacturers nor the seller make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instructions. Read and follow the label directions carefully.
