ATTACHMENT TO EPA REGISTRATION NOTICE

APR 15 1985

EPA Registration No. 51414-1 Date Issued _____

Company Name BRJ Industries, Inc.

Product Name Heavy Duty Bowl Cleaner

The following requirements or revisions apply to the label which was accepted with this registration notice:

1. The registration number which has been assigned to this product must appear on the label as EPA Registration No. 51414-1
2. The word POISON must appear in red on a contrasting background. Traditionally, however, manufacturers satisfy this requirement by printing POISON, DANGER and the SKULL AND CROSSBONES in red.
3. The Storage and Disposal statement must be appropriate for the container size. The following statement is suitable for container sizes one quart through one gallon for your type product.
 Keep securely closed, away from heat or open flame in a well ventilated area away from food and feed. Fumes are corrosive to metal. Do not reuse empty container; rinse thoroughly with water and detergent. Discard in regular trash collection.
 For containers larger than one gallon the following Storage and Pesticide Disposal statement should be used:

Storage and Disposal

 Do not contaminate water, food, or feed by storage or disposal.
 Storage: Keep securely closed, away from heat or open flame in a well ventilated area. Fumes are corrosive to metal.
 Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or Hazardous Waste representative at the nearest EPA Regional Office for guidance.
 For Container Disposal instructions based on containers by type, refer to Appendix A of PR Notice 83-3 dated March 29, 1983 (enclosed).
4. Complete the net contents declaration.
5. The labels which will be used for this product in channels of trade must reflect these revisions.
6. Five copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.
7. The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Federal Regulations. If the label does not satisfy these requirements it will be rejected.

BEST AVAILABLE COPY

HEAVY DUTY BOWL CLEANER is a concentrated acid disinfectant bathroom toilet bowl cleaner, especially formulated to kill many germs commonly found in hospital, industrial and institutional environments. **HEAVY DUTY BOWL CLEANER** contains a high level of acid together with an acid compatible detergent system which facilitates the easy removal of resistant stains and permits its disinfectant action.

When used as directed, **HEAVY DUTY BOWL CLEANER** cleans, disinfects and deodorizes in one easy step.

Precautionary Statements

Hazardous to Humans and Domestic

Animals

DANGER

Corrosive: Keep Out of Reach of Children. Causes eye and skin damage (or skin irritation); produces chemical burns. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Do not breathe vapor or fumes. May be harmful or fatal if swallowed.

Storage and Disposal

—DO NOT REUSE EMPTY CONTAINER.

RINSE EMPTY CONTAINER THOROUGHLY WITH WATER AND DETERGENT AND DISCARD IN REGULAR TRASH COLLECTION.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, call a physician immediately. Drink a teaspoonful or more of milk of magnesia or a cup of soapy water followed with milk or raw egg whites.

Eye Contact: Wash with water for 15 minutes. Get prompt medical attention.

Skin Contact: Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration notice is being issued in accordance with Section 3(c)(7)(A) of the FIFRA subject to the following conditions.

1. It is understood that you will submit and/or cite all data required for registration or re-registration of your product under Section 3(c)(5) of the FIFRA when the Agency requires all registrants of similar products to submit such data.

2. You will submit five copies of your finished printed labels complying with the requirements or revisions specified in the attachment to this registration notice. These labels must be submitted to the Agency before the product is released for shipment as required by P# Notice 82-2, of June 18, 1982.

A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(e) of the FIFRA.
