**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use on the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Registered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this registration/registration is returned herewith.

Registration in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect the health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in compliance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or its use if it has been covered by another registration.

1. The registrant shall file a copy of the label with the Agency within 30 days of the date of registration.

2. The registrant shall file a copy of the label with the Agency within 30 days of the date of registration for each new product which is registered under this Act.

3. The registrant shall file a copy of the label with the Agency within 30 days of the date of registration for each new product which is registered under this Act.

4. The registrant shall file a copy of the label with the Agency within 30 days of the date of registration for each new product which is registered under this Act.

5. The registrant shall file a copy of the label with the Agency within 30 days of the date of registration for each new product which is registered under this Act.

6. The registrant shall file a copy of the label with the Agency within 30 days of the date of registration for each new product which is registered under this Act.
