Re: Labeling  
Your Submission Date October 17, 1988

The above submission has been reviewed by our Agency. Your label is acceptable provided the following changes are made.

1. All products where precautionary labeling appears on other than the front panel must have a referral statement.
2. Add the following statement to the disposal section of your label. "Do not contaminate water, food or feed by storage or disposal." This statement should not be deleted.
3. Delete the heading "General Classification."

Submit five (5) copies of final printed labeling with the above changes.

Sincerely,

Robert J. Taylor
