51651-1

OCT 21 1996

Term of Issuance: Conditional

Name of Pesticide Product:

Happy Horse

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

H & C Company
1279 Roller Road
St. Clair, MO 63077

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 51651-1".
 - b. The product name, Happy Horse, must appear on the front panel of the label.
 - c. Move the statement "Do not apply to horses intended for slaughter or human consumption." so that it appears as the second paragraph of the Directions for Use.
 - d. The signal word "CAUTION" and the statement "KEEP OUT OF REACH OF CHILDREN" must be moved to the front panel of the label.
 - e. Move the referral statement "See Side Panel for Additional Precautions" to the front panel of the label.

Signature of Approving Official:

RPK

Date:

- f. Revise the Precautionary Statements to appear as follows:

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes, and clothing. Wash thoroughly with soap and water after handling.

- g. Revise the Ingredients Statement to read as follows:

ACTIVE INGREDIENTS:

Pyrethrins	0.22%
Di-N-Propyl Isocinchomeronate	1.17%
*INERT INGREDIENTS	<u>98.61%</u>
Total	100.00%

*Contains petroleum distillates

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

(Proposed Label Wording)

HAPPY HORSE is formulated for horses.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply to horses intended for slaughter or human consumption.

HAPPY HORSE has been especially developed for use on horses. It provides a protective hair coating against flies, while imparting a high sheen to the hair when brushed out. Use of one or two ounces per head per day gives adequate protection. Apply by either a soft cloth or a fine mist spray. **HAPPY HORSE** is also a grooming aid and coat conditioner.

USE AS A WIPE ON:

First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are seen. Only a light application is required. Avoid using an excessive amount on your animal. Do not wet skin. After application, brush out thoroughly to bring out bright sheen on the coat.

USE AS A SPRAY:

HAPPY HORSE may be applied as a fine mist spray, to stable area and around stables for fast paralysis and kill of flies. Do not wet animals skin, or exceed two ounces per application. To control blood-sucking lice, apply to the infested areas of the animal, using a stiff brush to get the spray to the base of the hair. **HAPPY HORSE** kills and repels Stable Flies, Horn Flies, House Flies, Face Flies, Horse Flies, Deer Flies, Mosquitoes, Gnats, Ticks, Fleas and Lice.

STORAGE AND DISPOSAL:

Do not reuse empty container. Wrap container in several layers of newspaper and put in trash collection.

BUG KILLER FOR FLIES • MOSQUITOS

LEAVES NO OILY RESIDUE.
