Subject Amended Reregistration Label  
Product Name Happy Horse  
EPA Registration Number 51651 1  
EPA Decision Number 411654

Dear Mr Erlinger

The Agency in accordance with the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) as amended has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Pyrethrins RED and has concluded that your submission is acceptable

NOTE This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time

Please be reminded that 40 CFR Part 156 140(a)(4) requires that a batch code lot number or other code identifying the batch of the pesticide distributed and sold be placed on non refillable containers The code may appear either on the label or durably marked on the container itself and can be added by non notification per PRN 98 10

Please note that the record for this product currently contains the Confidential Statement of Formulation (CSF) listed below Any other CSFs are superseded

1 Basic CSF dated >>

03/19/12

A copy of your label is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec 6(e).

If you have any questions about this letter, please contact Gene Benbow at 703 347 0235 or [benbow\\_gene@epa.gov](mailto:benbow_gene@epa.gov)

Sincerely,

Richard J. Gebken

## HAPPY HORSE ORIGINAL FLY SPRAY

HAPPY HORSE is formulated for HORSES.

**HAPPY HORSE is for Use on Horses.** It provides a protective hair coating against flies, while imparting a high sheen to the hair when brushed out. Use of one or two ounces per head per day gives adequate protection. Apply by either a soft cloth or a fine mist spray. HAPPY HORSE is also a grooming aid and coat conditioner.

### USE RESTRICTIONS:

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Use only on horses or as a premise spray inside stables. Do not apply more than one (1) time per day. For use in horse stables only. Remove horses from quarters before treating premises. Do not broadcast outdoors.

### APPLICATION TO HORSES

**USE AS A WIPE ON:** First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and face, where flies are most often seen. Only a light application is required. After application, brush out thoroughly with comb to bring out bright sheen on the coat.

**USE AS A SPRAY:** First brush animal to remove excess dirt and dust. Spray horse with a fine mist. Give special attention to the leg's, shoulders, shank's, neck and face, where flies are most often seen. After application, brush thoroughly with a comb to bring out bright sheen on coat.

### APPLICATION TO STABLES

**SPRAYING STABLES:** Remove horses before treating stables, spray stable with a fine mist. Do not apply to the point of saturation or runoff. Happy Horse Fly Spray (kills and repels) Stable Flies, Horn Flies, House and Face Flies, Horse Flies, Deer Flies, Mosquitoes, Ticks, Fleas, Lice and Larvae.
